Dear Parents/Carers

I would like to invite you to the **Annual Parents Meeting** on 22 November 2007 at 7.30pm in the Bradshaw Building.

If you would like to see some of the new developments that have taken place over the last year in the school - new Technology rooms, new student reception, work on the corridors, signage and if you haven't already seen it, the new Sports Hall, then we are offering a short tour starting at 7pm.

The main agenda for the evening will be a series of break out sessions based on Internet use and security:

- Internet safety
- Intelligent Internet research
- Useful learning sites for your children, and dangers of plagiarism

We hope that you will find the topics of interest and that we will get a good turnout for the evening. There will also be a Q&A session followed by Cheese and Wine.

I would be grateful if you could return the slip at the bottom of this letter to me at the school, to give us some indication of numbers. If you have any general question(s) that you would like the governors or Senior Management team to answer at the end of the evening, please complete below.

Many thanks for your continued support and I look forward to seeing as many of you as possible on Thursday 22 November.

Yours sincerely

Bill Tindale
Chair of Governors
