1st October 2007

Year 10 GCSE Coursework Information Evening Wednesday 10th October at 7pm in the School Hall

Dear Parents / Guardians,

We are writing to invite you to the Year 10 GCSE coursework information evening that will be held at 7pm on Wednesday 10th October in the school hall.

On the evening we will be explaining:

- The importance of coursework
- Specific advice on enabling boys to succeed in coursework
- Common Problems
- How parents / guardians can help their sons with their coursework
- We will also be providing details of coursework dates and tasks; this and a copy of the presentation from the evening will also be available later via the school website.

Many parents find that coursework tasks pose significant problems for their sons and we hope that this evening will provide you with strategies to cope with these.

Pupils will receive advice on coursework from their subject teachers and through assemblies and they are therefore not required to attend.

The evening will conclude with an opportunity for questions about coursework but will end by 8.30pm at the latest.

Yours sincerely,

Mr P.A. Ramsey
Deputy Headteacher

Mrs S. I. Turner
Deputy Headteacher
