Headteacher: D P Kellaway, M.A.
School Roll: 1130 with 270 in the sixth form

Head of Science (TLR 1b - £8,406 + London fringe) Required September 2008

This is an outstanding opportunity for an ambitious individual to lead an effective and well organised faculty. We are seeking an experienced science specialist (any subject) to drive standards even higher and further develop Science's role as a lead faculty in the School's Specialist Technology status.

Science is taught in 8 recently refurbished laboratories, with 5 IWBs, and is supported by an experienced team of technicians. Our well qualified and enthusiastic staff are committed to delivering appropriate courses to students with 4 routes available to pupils at key stage 4 including AQA Separate Sciences, Core and Additional, Core and OCR National Science (Level 2). A level is extremely popular and as part of the BeauSandVer consortium we also offer the International Baccalaureate.

Verulam is committed to developing and supporting leadership at all levels and encourages applications to Leadership Pathways and the NPQH. As a high-performing Specialist College we provide an enriching educational experience for all at Verulam, which is a very popular, 11-18 all-ability school (boys to 16, with a mixed Sixth form), situated near the centre of this historic and attractive Cathedral city. Verulam School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

An application form and further details of the post are available from the Head Teacher's PA, Anne Hanvey, anne.hanvey@verulam.herts.sch.uk, or you can apply online either on our website www.verulamschool.net or at www.teachinherts.com. Closing date: Thursday 15th May. Interviews will be held on Tuesday 20th May.
