## Teacher of Sociology (MPS)

Required for September 2008, a part-time teacher of Sociology (up to point 5) to teach all aspects of A Level Sociology to students at AS and A2 levels.

Applications from experienced teachers or NQTs are welcome. The precise times and number of lessons to be taught is negotiable to some extent to suit the applicant.

Verulam is committed to developing and supporting leadership at all levels and encourages applications to Leadership Pathways and the NPQH. A Level teaching is offered on a three school consortium basis, with Sociology regularly attracting many students. There are currently two teaching groups in both Year 12 and 13. The Sociology Department is well resourced. At the most recent Ofsted inspection, Verulam was rated a good school with outstanding features. As a high-performing Specialist College we provide an enriching educational experience for all at Verulam, which is a very popular, 11-18 all-ability school (boys to 16, with a mixed Sixth form), situated near the centre of this historic and attractive Cathedral city. Verulam School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
